# REMARKABLE REWORKING OF A PERIOD BARN COMPLETE UPPER CHAIN PERIOD CHARM COMBINED WITH MODERN CONVENIENCE

## THE PROPERTY

The Leys is one of the old barns originally belonging to Chestnut Farm and it is this barn that has been used to create the heart of this remarkable home. This means that you have the charm and character of a period property, with its exposed heavy timbers and brickwork and solid hardwood flooring, combined with all the convenience of a home for the modern family. The spacious and versatile ground floor provides a large sitting room with fire place, garden room, study and separate dining room with steps up to the fitted kitchen. A laundry and a cloakroom/WC complete the main accommodation.

The main landing on the first floor provides access to two double bedrooms, one with an en suite shower room, and the family bathroom. From the main landing, a vaulted landing, galleried above the kitchen, leads to a vaulted third bedroom. There is also a small study off the main landing, from which a staircase leads to the master suite on the second floor comprising vaulted bedroom and en suite wet room with shower.

In addition to the main accommodation, there is a self-contained annexe comprising living room with kitchen area, bedroom and shower room, ideal for relatives, teenagers or generating rental income.

The house benefits from sealed unit double-glazing throughout and gas fired central heating.
