Description

As you enter through the front door, you step directly into a spacious living room that extends the full depth of the house. It offers ample space for both a lounge area and additional seating or storage. Continuing toward the rear of the house, you enter a large kitchen that runs along one side of the home. The kitchen is open and functional, with enough space for a dining area as well. Just beyond the kitchen is a rear hallway leading to a downstairs bedroom, making it ideal for guests or use as a home office.

Adjacent to this bedroom is a small but convenient bathroom with a toilet and sink. Next to it is a stairwell leading up to the first floor. At the top of the stairs, you arrive at a central landing that connects to three bedrooms and a family bathroom. Directly ahead is one of the smaller bedrooms, suitable for a child or office use. To one side is a medium-sized bedroom, and opposite it sits the largest bedroom on this floor, offering enough space for a double bed and wardrobes. The full bathroom includes a bathtub, toilet, and sink, located near the landing for easy access from all the upstairs bedrooms.

Outside

Externally, the property benefits from off-street parking for two cars and a well-maintained private rear garden. The garden features a raised lawn accessed via steps from a patio area, ideal for summer entertaining. A pathway leads to a second patio at the rear, where you'll find a wooden shed and space for outdoor dining or relaxing.

Additional features include an outside tap, retractable awning, stocked flower beds, and fence-enclosed boundaries. There is also convenient side access to the front of the property via a wooden gate.
