This impressive period family home has been beautifully refurbished and designed for modern family living.

The property comprises a generous through lounge boasting underfloor heating and beautiful bay window with plantation shutters. The rear of the house has been extended and now features a wonderful open-plan kitchen/diner. The impressive bi-folding doors take you out to a fantastic size, landscaped West-facing garden with a fully insulated and heated home office.

Up onto the first floor there are two double bedrooms, a luxury family bathroom with underfloor heating and a single bedroom/study. The well-crafted loft conversion houses the principal bedroom, a stylish bathroom and plenty of additional storage space. We highly recommend viewing this house to fully appreciate the standard of workmanship.

Grosvenor Road is a short walk to the neighbourhood shops and cafes on Northfield Avenue and West Ealing Broadway. Rail links for West Ealing (Elizabeth Line) and Northfields (Piccadilly Line), both easily reached. The nearby schools are Oaklands Primary and Elthorne Park High School, both very popular with local families.
