Extending to approximately 2,243 sq ft (208 sq m), excluding the garage, the property provides substantial accommodation arranged over three floors, with five double bedrooms and three well-presented bathrooms.

The ground floor is centred around a superb large kitchen/dining room with granite worktops, featuring attractive herringbone-style flooring, a range of integrated appliances and ample space for dining and entertaining. French doors provide a connection to the garden, allowing the room to feel bright and sociable while offering easy access outside. The living room is another excellent reception space and also benefits from patio doors opening directly onto the garden. There is also a useful utility room, a ground-floor cloakroom and a versatile study/play room, which could be used as a home office, children's playroom or additional reception space.

The first floor provides three well-proportioned double bedrooms, including the main bedroom with fitted wardrobes and its own en-suite shower room, together with a well-presented main family bathroom

The second floor completes the bedroom accommodation with two further double bedrooms, served by a Jack and Jill shower room shared between both bedrooms. The floor also benefits from a large landing area, providing additional space that could be used as a study area or reading space. This level offers excellent flexibility for family, guests or those looking for additional space to work from home.

Outside, the property benefits from an attractive frontage with established planting, a private driveway and parking for up to four cars, together with access to the former garage. The rear garden provides a pleasant outdoor space and is conveniently accessed directly from both the kitchen/dining room and living room.

A particular feature of the property is the former double garage, some of which has been utilised as a gym, and the rest remains for storage.
