Situated on the highly regarded Merryfield Road in Petersfield, this extended four-bedroom detached home offers 1,556 sq ft of well-proportioned accommodation (excluding the garage). Within easy walking distance of Churcher's College, the town centre and mainline station, the property combines flexible family living with a convenient and established location.

A generous entrance hall provides a welcoming first impression and leads to a downstairs WC, ideal for family life and visitors.

The property has been extended to the side by the current owners, creating a large L-shaped kitchen/dining/family room. This versatile space offers clearly defined areas for cooking, dining and relaxing, making it the heart of the home and perfectly suited to both everyday living and entertaining.

The separate living room, featuring a log burner, provides a cosy retreat, while an additional reception room offers flexibility as a separate snug or playroom. A section of the garage is insulated with double glazed windows and serves as a fantastic studio or home office. The layout allows families to adapt the space to suit their needs.

Upstairs, a wide landing leads to four well-proportioned double bedrooms. The principal bedroom benefits from an en-suite shower room, while a family bathroom serves the remaining three bedrooms. The first-floor landing and bedrooms are generously sized, adding to the overall sense of space.

The property benefits from driveway parking for two vehicles as well as a detached garage with home office and wrap-around garden. The setting offers both practicality and versatility, complementing the home's extended layout and internal space.
