ST LUKES MEWS

Known as ‘The Submariner’s House’ this eco conscious mews home is a flawless collaboration between the current owner and Jonathan Tuckey Design.

The interior is defined by a dramatic double height void and a screened concrete staircase that connects four floors of light filled, multifunctional space.

A bespoke palette of Douglas Fir flooring and polished plaster serves as a backdrop to clever spatial interventions, including electric glazed "switchable" privacy glass and felt lined media rooms that double as a guest suite.

The principal floor features a retractable skylight for stargazing, while the spectacular roof terrace offers an elevated sanctuary above the cobbles.
