Detached 4 Bedroom, 3 Bathroom Period Property - Village Setting

Home + Castle are delighted to present Anela — a truly exceptional four-bedroom detached period property that seamlessly blends original early 1900s character with decades of thoughtful improvement and extension.

At the heart of the home, a spacious open-plan kitchen-diner flows naturally into a stunning conservatory, where a remarkable 60-foot-deep water well takes centre stage. The generous living room has been designed with flexibility in mind, divisible into two separate spaces and complemented by a rear shower room, offering excellent potential for annexe accommodation.

Set on approximately $\frac{3}{4}$ of an acre, the beautifully manicured gardens are a true highlight, complete with chickens, geese, and a productive vegetable garden. Perfectly positioned in a peaceful village setting surrounded by open countryside, Anela is just a short drive from Rye, Ore, and Hastings. The Two Sawyers, a beloved 16th-century inn serving fine food and drink is just a two-minute stroll away.

History of Property

Built in the early 1900s, Anela has been home to just two families since its construction, first occupied by those who originally built it, and then by the current owners who purchased the property in 1984. Between 1985 and 1987 the home was thoughtfully extended to create the spacious four-bedroom, three-bathroom family home it is today. The ¾-acre grounds feature a range of charming outbuildings, including an aviary, garden room, workshop, and a delightful two-storey Wendy House.
