Step inside and discover a welcoming entrance porch and hallway, leading to a fabulous lounge/diner complete with elegant window shutters. But the real showstopper? The stunning rear extension, offering a fantastic additional sitting and dining space with TWO sets of bi-folding doors opening onto the garden. Summer entertaining just got a serious upgrade!

The beautiful fitted kitchen is every bit as impressive, boasting integrated appliances, stylish finishes and yet more of those gorgeous shutters. A separate utility room and ground floor WC take care of the practicalities, because even dream homes need somewhere to hide the laundry!

Upstairs, you'll find three wonderfully sized bedrooms, all featuring window shutters, alongside a beautifully appointed family bathroom with a separate bath, shower and underfloor heating. Because cold bathroom tiles on a winter morning? No thank you!
