KINGS MEADOW
LEADENHAM

25 beautiful homes make up Kings Meadow, a standout development in the Lincolnshire Cliff Villages.

At Glenrowan Homes we pride ourselves on our ability to design and offer the home for you in communities that will last a lifetime.

Leadenham

This 'chocolate-box' village is nestled in the picturesque Lincolnshire countryside offering a blend of rich history, stunning landscapes and tranquil village life. The charming location boasts attractive stone cottages, large open fields, country walks and a friendly community atmosphere.

With the Cliff Villages being some of the most prominent in the East Midlands, they also attract a similar calibre of resident, hence why there is a very popular and well-attended polo club in the village where locals can visit and watch the 'sport of kings'. There is also a garage with shopping facilities, a primary school, post office, village hall, both tennis and bowls facilities, a country store and beauticians all within walking distance. Sir William Robertson Academy is also conveniently located on the edge of the village.

Less than five minutes drive, you will find the similarly sought-after village of Navenby, celebrated for its charming blend of historic character and modern amenities. This vibrant community offers an ideal balance of rural

tranquility and convenient access to larger towns and cities like Lincoln, Newark and Grantham. Navenby is dotted with beautiful period properties, including traditional stone cottages and elegant Georgian homes, making it a sought-after location for those seeking countryside living with a touch of sophistication.

Despite its rural charm, Leadenham benefits from excellent transport links, making it an attractive option for commuters. With easy access to the A15 and A607, residents can conveniently reach Lincoln, Sleaford, Grantham and Newark, while nearby train services provide connections to London with Grantham taking just 60 mins. Combining village life with accessibility and community spirit, Leadenham is the perfect choice for those looking to enjoy the best of Lincolnshire's countryside while staying well-connected to urban amenities.

'The Times' rate it as one of the best places to live 2022, not a surprise with Rustic charm this cliff village brings.
