## THE PROPERTY

One of just four unique homes constructed by the highly regarded Dorset builders, R.E. Pearce Properties Ltd in 2014, the home remains in beautiful condition and features numerous high-quality upgrades since the original build.

## ACCOMMODATION

Upon entering, the front door opens into a welcoming entrance hall, laid with engineered oak flooring that extends throughout the ground floor. This space also includes a useful under-stairs storage cupboard and a well-appointed cloakroom. The sitting room enjoys natural light from front-facing windows and opens directly onto a charming and attractively designed garden via french doors.

The bright and airy kitchen/dining room is impressively equipped with a bespoke kitchen, featuring Corian worktops with an integrated sink. Appliances include a Smeg gas hob with an elegant extractor hood, a built-in Smeg oven, teppanyaki grill / side hotplate, integrated Neff dishwasher, and a gas central heating boiler discreetly housed within a cupboard. There is dedicated space for a washing machine, and the cabinetry includes practical elements such as pan and cutlery drawers, along with a corner carousel unit. The front-facing window provides lovely views over the surrounding countryside.

Beyond the dining area, there's a stunning open plan garden / family room. This light-filled space with vaulted ceiling boasts a range of doors, windows and skylights overlooking the pretty rear garden. It's a bright and tranquil multi-purpose area - whether you use it as a larger dining space or for relaxation.

The first floor offers three generously sized double bedrooms. The principal bedroom overlooks the front of the property with countryside views and features a built-in wardrobe along with a stylish en-suite shower room. Bedroom two enjoys views over the rear garden and the countryside beyond, whilst bedroom three has views over the fields to the front. The family bathroom is fully tiled with crisp white tiling and marine coloured accents. It includes a bath with an overhead mains shower, a vanity wash hand basin and concealed cistern WC.

## OUTSIDE

To the front of the cottage is a gate opening onto the walled garden with useful outside tap. To the rear is a fully enclosed and beautifully designed garden with an abundance of plants, espalier fruit trees, shrubs and perennials providing a wealth of colour and structure throughout the year. Designed with lower maintenance in mind, adjoining the borders are patio areas for seating and dining al fresco. A gate opens onto a designated parking space and opposite is a former open-plan carport, now with garage door for added security and also including an integral shed. There is power and light connected to the garage. In front of the garage is a further parking space.
