Architecturally designed with a contemporary, pared-back aesthetic, the home features extensive glazing throughout, flooding the interiors with natural light and creating a seamless connection between the stylish living spaces and the picturesque setting.

A spacious and welcoming entrance hall sets the tone for the accommodation, with stairs rising to the first floor and access to a contemporary cloakroom. Underfloor heating extends throughout the entire ground floor, enhancing the home's luxurious feel.

The impressive dual-aspect living room is an elegant yet inviting space, centred around a striking log burner and featuring large patio doors that open directly onto the rear garden. External roller shutters provide additional privacy and security when required.

At the heart of the home is the superb open-plan kitchen and dining room, thoughtfully designed for both everyday family living and entertaining. A comprehensive range of bespoke floor and wall-mounted cabinetry is complemented by beautiful stone work surfaces and a matching central island. Integrated appliances, a double sink and generous preparation space complete this exceptional kitchen, while further doors open seamlessly onto the rear garden. The first floor offers four beautifully appointed bedrooms, including a luxurious principal suite with en-suite shower room and a second guest bedroom that also benefits from its own en-suite. The remaining bedrooms are served by a stylish family bathroom, all finished to an equally high standard.

Outside, the landscaped rear garden has been carefully designed to create a series of inviting outdoor spaces. Predominantly laid to lawn, it is complemented by mature flower beds and established shrub borders, alongside a generous decked entertaining terrace and separate patio—perfect for alfresco dining while enjoying the peaceful outlook across the adjoining paddock and open fields. An external home office, complete with power and lighting, provides an ideal space for remote working or a creative studio.

To the front, the property benefits from a private driveway providing parking for three vehicles.
