Inside The Home

This immaculately maintained mid-terrace property offers versatile and well-proportioned accommodation across three floors, perfect for families or those seeking additional space. Entry is via a double-glazed UPVC front door into a porch, which leads into the lounge. The lounge features a charming feature fireplace with an open fire, alcove shelving, laminate flooring, built-in storage units, and a practical desk area tucked under the stairs. Double-glazed windows to the front and rear aspects fill the room with natural light. The fitted kitchen offers a range of base and wall-mounted units, a four-ring gas hob with oven beneath, plumbing for a washing machine, space for a fridge/freezer, and a sink with drainer unit. A double-glazed window overlooks the rear, while a stable door opens onto the rear yard. Laminate flooring flows throughout, creating a cohesive and practical space.

To the first floor is a spacious double bedroom at the front of the property, finished with modern décor. The family bathroom has been upgraded to a contemporary four-piece suite, including a shower cubicle, corner bath, low-level WC, and pedestal wash hand basin. A generous single bedroom, currently used as an office, completes this level.

The loft has been converted to create a quirky and versatile third-floor bedroom. The vendors have cleverly designed a separation within the room to form a walk-in wardrobe and storage area, while a further space beyond has been created as a play area or games room. A Velux window ensures this area is bright and welcoming, making it ideal for children or as an additional living space.

The property benefits from modern décor throughout, replacement windows, new roof and an upgraded bathroom, offering a ready-to-move-in home combining character and practicality.
