GARDEN

A raised decking area features steps leading down to the south-facing garden — a large, well-maintained space primarily laid to lawn. Mature shrubbery and established tree lines create shaded areas, while the majority of the garden enjoys ample sunlight throughout the day. Additional features include a koi carp pond, a dedicated planting area, two storage sheds, and a mix of lawn and patio that leads around to the front of the property. A metal farm gate at the rear provides vehicular and pedestrian access via North Rew Lane.
