Location

Charlestown is a popular Georgian harbour side village situated around a picturesque inner and outer harbour with pebble beach, some two miles from St Austell town centre. The harbour currently houses some fishing boats and several tall ships, and has been the back drop of several feature films and TV series such as Alice in Wonderland, Doctor Who, The Three Musketeers and The Eagle Has Landed, largely due to its picturesque natural and unspoilt coastline surrounds. Charlestown has a hotel and guest houses, with excellent restaurants, and a selection of public houses. To both sides of Charlestown harbour there is the South West coastal footpath providing some wonderful walks with cliff top views and sandy coves and beaches. To the east lies the natural deep harbour port of Fowey with excellent boating facilities and with a range of excellent local shops and restaurants. Nearby is the beach of Porthpean which has its own sailing club.

Directions
