Property Description

Approached via a private lane, the property enjoys an attractive frontage with a low stone wall and decorative stone chippings leading to the welcoming UPVC entrance door. Step inside and you'll find a bright and inviting lounge that has been thoughtfully modernised while preserving its traditional features. Wood-effect laminate flooring flows throughout, complemented by deep double-glazed windows that fill the room with natural light. Taking centre stage is a stunning feature fireplace, complete with a multi-fuel log burner set within a beautiful stone surround and slate hearth, creating a cosy focal point for relaxing evenings.

The lounge flows effortlessly into a versatile second reception area, currently arranged as a snug. Characterful wood-effect beams and an original fireplace add warmth and personality, while the generous proportions make this an ideal dining room, reading room, home office, or hobby space, depending on your lifestyle.

To the rear of the property, the galley-style kitchen is both practical and well-appointed, featuring tiled flooring, a tiled splashback, and wood-effect base units. There is space for a fridge freezer and a washing appliance, together with an electric oven, gas hob, and the convenience of a combi boiler. Double patio doors open directly onto the rear garden, allowing natural light to flood the space and creating an effortless connection between indoor and outdoor living.

The bathroom is finished with fully tiled walls and flooring and comprises a bath with an overhead shower, WC, and wash hand basin. Practical shelving provides useful storage while maintaining a clean and contemporary feel.

Upstairs, the primary bedroom is a wonderfully spacious and airy retreat, comfortably accommodating a king-size bed alongside additional furniture, while attractive alcoves, and abundant natural light enhance the room's character and charm. The second bedroom is currently utilised as a home office but is equally suited as a comfortable single bedroom or nursery, benefiting from built-in storage and matching wooden floorboards.

Outside, the low-maintenance rear garden provides a private and peaceful setting to enjoy throughout the seasons. A combination of paved and lawned areas is complemented by well-stocked flower beds, while high timber and bamboo fencing creates an excellent degree of privacy. A useful garden shed and additional outdoor storage provide practicality, and a rear gate offers convenient access to the service lane where the bins are located.

In Addition, the flat roof of the kitchen was updated in 2017 with a guarantee of 15 years whilst the firestone rubber is guaranteed for 50 years.

Lovingly maintained and full of character, this delightful home offers an excellent opportunity for first-time buyers, downsizers, or anyone seeking a peaceful property within easy reach of the coast, local amenities, and excellent transport links.
