Freehold

37 Whitehawk Way Brighton BN2 5HE

*** GUIDE PRICE £400,000-£425,000 ***

A spacious four-bedroom semi-detached house on a substantial corner plot with a west-facing garden, ideal for enjoying the evening sun and sunsets, and stunning views across surrounding woodland towards Brighton Racecourse.

The property benefits from extensive off-road parking for up to four vehicles and features manual gates to a private driveway, with provision already in place for electric gates. Additional features include EV and electric bike charging points, a video intercom security system with nine cameras, and double glazing throughout.

Upon entering, the property immediately offers a sense of space and natural light and laminate flooring runs throughout the ground floor. The accommodation on this level comprises a generously proportioned lounge with French and bi-fold doors to the front, kitchen with solid wood shelving and base units which leads to a glazed and wood-panelled garden room with French doors to the rear patio and garden, two bedrooms, a downstairs WC, and a second reception room which also has sliding doors to the rear patio and garden.

The first floor offers two well-appointed double bedrooms, both with wash basins and the rear bedroom enjoying further woodland views. There are two separate shower rooms, two separate WCs and a wash basin, providing excellent convenience for larger families or guests.

Externally, the secluded wrap-around garden enjoys a desirable west-facing aspect and provides the perfect setting for family gatherings, outdoor entertaining, and al fresco dining. Paved and laid to shingle, a dedicated BBQ area, external power points, and fencing renewed within the last year further add to the garden's practicality and appeal.

The location is exceptionally convenient with local amenities within walking distance and a selection of well-regarded primary and secondary schools nearby. Brighton Marina and the seafront are just a 5-minute drive away, there are excellent transport links with buses running approximately every 10 minutes into Brighton's city centre and mainline railway station, and easy access to the A27/A23 road networks connecting you to London and beyond.

This would make an ideal family home, investment property, or home-and-income opportunity.
