78 Buckingham Road

Occupying the top (third) floor of an elegant period building on one of Brighton's most desirable roads, this beautifully renovated apartment combines contemporary luxury with character, natural light and spectacular elevated views from both the front and rear.

Finished to an exceptional standard throughout, the apartment centres around a stunning open-plan living space incorporating a stylish, fully fitted kitchen with generous dining and seating areas. Large double glazed sash windows flood the room with natural light while framing far-reaching rooftop views across Brighton.

Both bedrooms are comfortable doubles, with the principal bedroom benefiting from a luxurious en-suite shower room. A beautifully appointed family bathroom, finished with elegant marble-effect tiling and high-quality fittings, serves the second bedroom and guests.

Being positioned on the top floor, the apartment enjoys wonderful elevated views from both the front and rear. To the front, attractive views stretch across Buckingham Road's handsome period architecture, while to the rear there are far-reaching panoramic views over Brighton's rooftops towards the sea, creating an impressive backdrop that can be enjoyed throughout the year.

The property is offered to the market chain free, making it an ideal purchase for owner-occupiers, second-home buyers or investors looking for a turnkey property in a prime central location.

Buckingham Road is perfectly positioned just moments from the vibrant Seven Dials, renowned for its independent cafés, restaurants, delicatessens and local shops.
