- Cotswold District 5-year Housing Land Supply equivalent to 1.8 years.
- Offers invited on a Subject to Planning basis.

## Situation

The land is located in the edge of the village of Great Rissington, approximately 2.5 miles southeast of Bourton on the Water, and 4.5 miles northwest of Burford.

## Access

The land is accessible via Green's Close.

## Tenure and Possession

The land is sold Freehold. Title Number GR100508.

## Local Authorities

Gloucestershire County Council  
Cotswold District Council

## Planning

The site is located directly adjacent to the existing built form of the village of Great Rissington. As such, the site represents a logical and contained extension to the settlement and is well related to

existing residential development along Green's Close. The site also lies outside the Great Rissington Conservation Area.

National planning policy set out in the National Planning Policy Framework requires local planning authorities to maintain a deliverable five-year supply of housing land and to significantly boost the supply of homes. However, Cotswold District Council is currently unable to demonstrate a five-year housing land supply. The Council's latest Housing Land Supply Report confirms that the district has only a 1.8-year supply of deliverable housing land. Consequently, policies relating to the supply of housing are considered out-of-date and the presumption in favour of sustainable development is engaged.

### **Method of Sale**
