STEP INSIDE:

As you enter the property, you immediately get a sense of how warm and inviting this home is. Thoughtfully updated by the current owners over the last couple of years, the property has been beautifully maintained and improved throughout, creating a stylish and comfortable home that is ready to move straight into. The welcoming hallway provides access to all the principal rooms, with a useful cupboard to the right, ideal for keeping coats and shoes neatly tucked away.

To the left is the real heart of the home – the impressive kitchen, dining room and sun room. Beautifully decorated and designed with entertaining in mind, the kitchen is fitted with a comprehensive range of integrated appliances including a fridge/freezer, washing machine, dishwasher, two single ovens and induction hob. There is also a breakfast bar and electric blinds, adding both practicality and a modern touch. The adjoining dining area provides plenty of space for a large family dining table and benefits from an abundance of natural light. This space flows seamlessly into the sun room, creating an excellent additional area for relaxing or entertaining. With room for comfortable seating, plenty of glazing and patio doors opening directly onto the garden, this is a wonderful space to enjoy throughout the year.

Returning to the hallway, the cosy lounge is a lovely and relaxing room, flooded with natural light and centred around a gas fired wood burner, creating a warm focal point. Bi-fold doors open directly onto the garden, further connecting the living space with the outdoors. The principal bedroom is a generous double bedroom overlooking the rear garden and benefits from built-in wardrobes and a private En-suite shower room, complete with WC, wash basin and shower with a double shower head. Along the hallway is the second large double bedroom, again benefiting from its own En-suite shower room with WC, wash basin and shower with a double shower head. There are then two further well-proportioned double bedrooms, both overlooking the front of the property, with bedroom four also benefiting from built-in wardrobes. An airing cupboard is conveniently positioned within the hallway and houses the Combi boiler, which was replaced approximately three years ago, along with useful shelving – ideal for storing and drying towels and linens. The family bathroom serves the additional bedrooms including a bath with an over head electric shower, wc and wash basin. Completing the accommodation is bedroom five, a good-sized small double currently used as a home office. Built-in wardrobes provide useful additional storage, making this a versatile room that could easily be adapted to suit a variety of needs.
