LOCATION

The Sutton Harbour area of Plymouth is ideally located to enjoy all that Britain's Ocean City has to offer. Set in the historic heart of the city, Sutton Harbour is home to some of the oldest buildings in Plymouth & is steeped in history, from the Mayflower Steps at the entrance to the harbour to the C15th former monastery, now home to the Plymouth Gin Distillery. The area enjoys a superb variety of restaurants, cafés & bars along the waterfront which cater to a wide range of needs, from cocktails to fine dining & a host of independent shops & galleries. Just across the pedestrian footbridge, there is the Barbican Leisure Park with a Vue cinema, bowling alley & further restaurants, in addition to the National Marine Aquarium. The city's shopping centre is located just a short walk away at Drake Circus & the recently rejuvenated Barcode area boasts a cinema, adventure golf & popular chain restaurants.
