"This flat has been my sanctuary for the past six years, and I've loved every second of creating a home here. I enjoy watching the world go by on the busy Bedminster Bridge; whether I'm waking up with a coffee in bed or tinkering on my keyboard piano while looking out over the Juliette balcony. I love having friends over, and the open-plan layout means I can chat and catch up while cooking or baking or unwind together over a glass of wine in the cosy living space."
