Ground Floor

First Floor

Please note: other floor plans and elevations for each property are available. Sizes are maximums. As each house is built individually, dimensions shown may vary +/- 50mm and the internal finishes may not always be the same. External finishes, materials, landscaping, positions and colours of windows and garages (where applicable) may also vary. Properties can also be constructed as mirror images of that shown. Please ask if you require further details or clarification.

Room list:

## Overview

Each home is finished with a sympathetic, plot-specific exterior, featuring a mix of white light render, stone render, straw yellow render, or red brick, either individually or in combination. These are paired with either pan or plain tiled roofs and complemented by white windows. Please consult our Sales Advisor for further details and examples.

The development is thoughtfully planned, offering generous outside space, and is built by an award-winning, privately-owned local developer using traditional materials. All homes come with a Premier Guarantee 10-year warranty for added peace of mind.

Interiors include a fully fitted kitchen with an eye-level electric oven and a four-burner gas hob, complete with a stainless steel/glass splashback and hood extractor, and integrated fridge/freezer and dishwasher. Buyers can choose from a range of fully fitted kitchen units with ample wall and floor cupboards, profile worktops, and matching upstands (subject to build stage).

The homes feature a gas-fired central heating system with a combi boiler for three-bedroom properties and four-bedroom properties with an en-suite. Four-bedroom homes with two en-suites (Knowle and Blenheim) come with a condensing boiler and cylinder. Photovoltaic (solar) panels are fitted to all plots.

## Outside

Bathrooms feature Duravit sanitary ware in white with stylish taps, concealed cisterns, and wall-hung toilets. En-suites and bathrooms include shaver sockets, thermostatically controlled radiators, and heated chrome 'Pisa' towel rails.

Recessed downlights are fitted to the kitchen, entrance hall, bathroom, en-suite, and cloakroom, while external lighting is provided with recessed downlights or coach lights to the front and rear. Garage options include carports, single, and double garages, with additional parking spaces. Garages are pre-wired for an electric vehicle charging point (7kW). Rear gardens are enclosed with 6ft close-boarded fencing and topsoil, while front gardens are laid to turf or shrubs.

Homes are equipped with power sockets with USB points in the living room, kitchen, and Bedroom 1 (plus study in Camden and Knowle), as well as TV points in the living room, Bedroom 1, and Bedroom 2.
