The Property

This spacious apartment seamlessly blends the convenience of high-end, cosmopolitan living with all the comforts of a genuine home. The living area is open-plan and beautifully styled. The fully fitted L-shaped kitchen features integrated Siemens appliances, including a dishwasher, fridge-freezer, microwave, and induction hob with an extractor fan. Composite stone has been used for the expansive, durable, and long-lasting surfaces.

Ambient lighting creates a relaxed, contemporary feel throughout, and the property has comfort-cooling and underfloor-heating in the bathrooms. Meanwhile, the wood-flooring adds a touch of genuine sophistication, whilst the bedrooms enjoy luxurious carpeting and plenty of natural light throughout due to the floor-to-ceiling windows.

Both balconies offer pleasant, life-affirming views of the surrounding neighbourhood. The master bedroom has access to one of the balconies, and both bedrooms feature ample storage and high-quality fixtures. The grey and white themed modern ensuite contains a spacious shower with overhead and handheld showers enclosed by a glass shower screen.

In the hallway, there is also entrance to a bathroom with the same interior design but a bathtub tub. In addition to a bathroom, there is a utility cupboard with a washer/dryer and plenty of space for your larger possessions.
