THE PROPERTY

Situated in the highly regarded St Margarets development on London Road—just a short walk from London Road station and under a mile from Guildford town centre—this first-floor apartment offers spacious, light-filled living with flexible accommodation and a superb setting opposite Stoke Park.

The property has been thoughtfully modernised in recent years and is presented in good condition throughout. Upon entering, you're welcomed by a generous entrance hall, currently used as a study area. The heart of the home is the expansive 30-foot open-plan living, dining, and kitchen area. With double-aspect windows facing east and west overlooking the communal grounds, the space benefits from plenty of natural light throughout the day.

Adjacent to the living area is a cosy snug, currently serving as a second home office. The kitchen features a modern yet classic design with shaker-style cabinetry, laminate worktops, and integrated appliances including an electric oven, separate hob with cooker hood over, and provisions for a fridge freezer, dishwasher, washing machine, and tumble dryer. There's ample cupboard and counter space, and plenty of space to dine.

Both bedrooms are generously sized, with the principal bedroom benefiting from built-in wardrobes. The family bathroom is fitted with a white three-piece suite including a bath with shower over, WC, and wash hand basin.

Additional features include a secure communal entrance, residential parking, and access to the well-kept communal gardens that surround the development. With its proximity to Guildford High Street, excellent transport links, and the open green spaces of Stoke Park, this apartment offers the perfect blend of town and park-side living.
