The Heritage Coast is within about 10 miles, with the popular coastal towns and villages of Southwold, Aldeburgh, Walberswick, Dunwich, Thorpeness and Orford all within easy reach. The county town of Ipswich lies about 18 miles to the south.

Description

1 Park Cottage is a well presented three-bedroom semi detached modern cottage in the heart of Great Glemham, that offers well laid out accommodation over two floors together with off-road parking and an excellent garage/workshop building.

The property is approached from the road via a pathway which leads to the front entrance. The front door opens into the hallway from which the sitting room with fireplace containing a Jotul woodburning stove, well fitted kitchen/dining room and cloakroom can be accessed.

From the entrance hall a staircase rises to the first floor landing, three bedrooms and the bathroom. Bedroom one is a generous double room with windows providing views to the front. Bedroom two is a further double room with obscured glazed windows to the rear, together with windows on the gable elevation and a Velux window providing a good degree of light, whilst bedroom three also enjoys views to the front of the property and the parkland beyond. The bathroom is well fitted with a panelled bath with shower over set in a tiled surround, together with a handwash basin, WC and extractor fan. There is also a built-in cupboard with shelving.

Outside

1 Park Cottages has the great benefit of a generous driveway for off-road parking for a number of vehicles together with an excellent garage/workshop that measures approximately 19'11 x 16'2 with electric up and over door and personnel door to the side. Located to the rear of the garage is the lean-to store, which measures approximately 35' x 8', which is attached to the neighbouring property, Crown House.

The rear courtyard garden is fully secure, set within close border fencing and brick walling, and can be accessed from the driveway. From here direct access can be gained to the kitchen, with the courtyard garden mainly laid block paving for ease of maintenance.
