Externally the mature rear garden is well stocked with flower and shrubs with the remainder laid to lawn. The overall measurements are 70ft. in length (50ft. from the back of the property) by 70ft. in width. Immediately to the rear of the property is a patio area, ideal for entertaining.

To the front the garden is laid to lawn with evergreen shrubs. The driveway provides off-street parking for several vehicles which leads to a garage with up and over door.

There is scope to extend and re-model the property and internal viewings are highly recommended.
