**IF YOU LIVED HERE...**

Spacious through lounge is sure to become a highlight, simply finished in pristine white walls, there's heaps of potential to imbue the space with your own style and character. Dual aspect with French doors to the rear and a bay window to the front, you also have a classic vintage hearth and mantel to the fore. Your kitchen's just to the rear - strikingly finished in glossy cabinets and slate effect worktops and you have a wonderful conservatory.

Step out those French doors for your rear garden, an artfully designed courtyard affair, with a low maintenance patio leading up to a raised flower, all flanked by pristine timber fencing for privacy and seclusion. Upstairs your master bedroom's a substantial, double while bedroom two is also nice and spacious double. Your family bathroom's immaculate in white and grey, with a separate tub and dedicated shower cubicle. Finally you have a handy loft room, perfect for a office space for people working from home!

Outside, and your first stop while exploring our borough should be Bell Corner, just a five minute walk away, here you'll find plenty of intersecting bus routes, independent cafes, a choice of supermarkets and one of our finest gastropubs, The Bell. Serving up delicious food in sumptuous surroundings, it's sure to become a favourite. Bell Corner is also your gateway to Hoe Street, our main thoroughfare and home to a still greater choice of shops, bars and restaurants.

**WHAT ELSE?**

- The loft space is a versatile space with an accessible staircase, velux windows and plush grey carpet.
- Your street has a pair of bike shelters and cyclists can be at Walthamstow Central station in around seven minutes for direct, twenty minute runs to Liverpool Street and Oxford Circus. You also have residents parking and drivers can be on the North Circular in less than five minutes.
- There are twenty six primary/secondary schools less than a mile from your new home, five rated 'Outstanding' by Ofsted and the remainder deemed 'Good'.

**A WORD FROM THE OWNER...**

"We bought this house because we fell in love with both the property and the area around it.

Having lived here for many years, some of our happiest memories are tied to this corner of Walthamstow. Lloyd Park became an extension of our home, whether for morning walks, the weekend farmers' market or visits to the William Morris Gallery.

One of the things we loved most about living here was the sense of community. Walthamstow has a warmth that's increasingly rare in London, with independent cafés, brilliant pubs, local events and neighbours who genuinely know one another.

The location offers the best of both worlds: a peaceful, residential setting with excellent transport links. Walthamstow Central provides quick access to the Victoria Line and central London, while the Overground makes getting into the City easy.
