Summary

Defined by its proximity to the coastline and to nature, Oshun is a newly built luxury property tucked away amidst a grove of pine trees in an exclusive gated enclave of just four residences.

A 320-metre stroll (approximately 6 minutes) leads you from this peaceful seclusion to the water’s edge at Poole Harbour, with the world-renowned shoreline of Sandbanks also within easy walking or cycling distance.

The ultimate luxury in today’s world, Oshun offers unmatched privacy with dual-layered security: a gated communal entrance at the end of a private drive, followed by the property’s own secure perimeter. An unrivalled blend of private architectural sanctuary and the vibrant coastal lifestyle of Canford Cliffs and Sandbanks, Oshun is a property that must be visited to be truly understood. In a market where high-end properties can often feel standardised and interchangeable, Oshun represents a singular architectural statement. I

t is a home for those who value bespoke character and distinctive individuality over the conventional. Constructed to an uncompromising level of detail both externally and internally, Oshun combines traditional and modern materials in a natural aesthetic, surrounded by the scent of pines.
