Internal: A centrally positioned front door opens into an entrance porch, leading through to a spacious hallway featuring a small circular skylight that brings in natural light from above. The hallway provides access to all rooms and benefits from two generous storage cupboards. The lounge is a standout feature, enjoying a triple aspect to the east, south, and west, creating a wonderfully bright and inviting space. It is enhanced by attractive wooden wall panelling, a gas fireplace, and a door opening directly onto the garden. The open-plan kitchen/diner is thoughtfully designed, with the kitchen offering a wide range of cream shaker-style wall and base units complemented by contrasting worktops. Integrated appliances include a fridge freezer and dishwasher, with additional space for a Range-style oven. The dining area is equally impressive—spacious, light-filled, and benefiting from a dual aspect. The contemporary shower room is finished to a high standard, featuring a large walk-in shower with a fixed glass screen and sleek aqua boarding for a seamless look. A wash hand basin and WC are neatly incorporated into a high-gloss vanity unit, providing excellent storage alongside an additional fitted cupboard. There are two generously sized double bedrooms, measuring approximately 13'6" x 12'2" and 13'6" x 10'4", both offering ample space for a double bed, wardrobes, and additional furnishings.

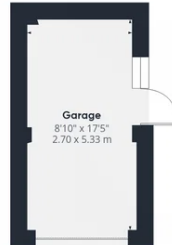

External: Set on a generous corner plot, this attractive bungalow benefits from a wraparound garden extending to the east, south and west, allowing for sunlight throughout the day. The front and side gardens are mainly laid to lawn, enclosed by a brick wall, with a pathway leading to the front entrance. Well-stocked with a variety of plants, flowers and shrubs, the property offers excellent kerb appeal, along with a convenient side pathway providing access to the utility room. The rear garden enjoys a high degree of privacy and features a patio area, ideal for al fresco dining and entertaining. A conservatory provides a pleasant indoor seating space with views over the garden. To the rear, there is a detached garden room measuring approximately 17'05" x 8'10", with a driveway in front offering off-road parking for multiple vehicles.
