"Having called this home for almost 20 years, it has been a wonderful place to live through every stage of family life. The generous layout provided plenty of space for a busy household, while the beautifully landscaped garden became a peaceful retreat for relaxing and entertaining. We've particularly loved the strong sense of community, with friendly neighbours, memorable street parties, and the convenience of having Gloucester Road's vibrant mix of independent shops, cafés and restaurants just a short walk away. Whether returning from a day at work or after our time living abroad, it has always felt like a special place to come home to. It has given us countless happy memories and has been a truly fantastic home."
