Thoughtfully designed for contemporary living, the impressive open-plan kitchen, dining and seating space creates an exceptional setting for both family life and entertaining, complemented by a stylish lounge and four bedrooms, private garden and countryside views.

This beautifully planned Manor Farm Fields Development is smaller and quieter than many of the other new developments located around Mickleover and the property is set in a great location with lovely views across the fields towards Radbourne and the layout of the plot means that the garden is wonderfully private, a rarity on modern estates.

Accessed via an attractive storm porch, the front entrance door opens into a wonderfully welcoming hallway with doors leading to the principal ground floor living spaces, stairs rising to the first floor and a generous understairs storage cupboard.

The kitchen is a wonderfully bright open plan space which runs the full depth of the property with double aspect windows and French doors opening out onto the garden creating the perfect flow to the outdoors which is especially good for outdoor dining and entertaining.

The kitchen area is fitted with a comprehensive range of units with under unit lighting, melamine finished worktops with matching upstands and tiled splashbacks, an inset one and a half bowl sink unit with mixer tap, built-in eye level double oven, integrated dishwasher, fridge and freezer, matching peninsula with induction hob with extractor hood over, leaving space for a family dining area with additional space for soft furnishings.

The utility room is fitted with matching wall cabinets, a concealed boiler, matching worktop with space beneath for a washing machine and tumble dryer. A side entrance door opens directly onto the driveway ideal for unloading shopping etc and when entering the property with kids, dogs and dirty shoes.

The generous living room is great for entertaining with a large bay window to the side and a second window to the front both of which fill the space with natural light, the bay also creates the perfect space for your tree at Christmas.

Located off the entrance hall the guest WC completes the ground floor accommodation having been fitted with a close coupled WC and a wall mounted washbasin with tiled splashback.

On the first floor a central landing has doors leading off to the bedrooms and loft space. The master bedroom features an en-suite shower room fitted with a double shower, close coupled WC and a wall mounted washbasin, extensive contemporary tiling, chrome heated towel radiator and a window to the rear.

There are three further generous bedrooms with bedroom two featuring fitted wardrobes and all are served by a family bathroom fitted with a full four piece suite comprising panelled bath with hair shower attachment, separate double shower enclosure, close coupled WC, wall mounted vanity washbasin with storage beneath, extensive contemporary tiling, chrome heated towel radiator and a window to the front.

Outside the property is set facing a mature hedge row which borders the field creating a lovely green outlook with plenty of bird life for those twitchers out there! The house is ever so slightly elevated with a shallow slopping pathway rising to the front porch, a well stocked herbaceous border provides year round interest and colour. The tarmaced driveway is located to the rear of house providing ample parking and access to the detached brick built garage with gated access to the garden.

The garden is located to the side of the house being mainly laid to lawn with a paved patio. The garden enjoys a high degree of privacy screened by the garage from the rear with an open outlook to the front.
