Moor Farm Cottage is a large, five double bedroom family home; occupying generous grounds of approximately an acre (sts) and with substantial garaging, located to the edge of Coningsby village, with no immediate neighbours and an unparalleled view to the runway at RAF Coningsby, ideal for aviation enthusiasts. Providing modern, well-presented accommodation, the ground floor comprises a large lounge, with versatile snug/office to the front; breakfast kitchen open to dining room with rear utility and cloakroom at the rear. The property benefits from solar panels, with battery storage.

Externally, the property enjoys a substantial garage, with trio of stores to the rear; initial and further lawned garden spaces and a rural location between arable fields; with RAF Coningsby's runway in view from the platform erected to the property's Southern edge – approx. 150m from the perimeter fence of the base. Coningsby is home to one of only two surviving, flying Lancaster Bombers.

Coningsby, and adjacent Tattershall, are well-served villages, with a range of services and schooling.

Coningsby and Tattershall, divided by the River Bain, are popular well-served villages providing a wide variety of shops, primary and secondary schools, post office and doctors' surgeries. Coningsby is famous for its RAF base and the Battle of Britain Memorial Flight Visitor Centre, and Tattershall for its National Trust Medieval Castle and heritage. The inland resort of Woodhall Spa is around four miles away and the Georgian market town of Horncastle and the East Coast are all within easy driving distance.
