

A four-bedroom detached family home with generous reception rooms and two en-suites, arranged over two floors, with a detached double garage, and a large garden enjoying views over open countryside in a rural village location, yet just a short drive to amenities and commuter links.

Approached over a private driveway serving just three executive homes, Holly House offers flexible accommodation to suit contemporary family living requirements.

A spacious entrance hallway leads to the light and spacious kitchen/breakfast room at the rear of the property, which enjoys fabulous views over the garden and open countryside beyond.

Fitted with floor and eye-level units and integrated appliances, the kitchen also has plenty of space for a table and chairs, along with a comfy sofa, making it ideal for casual dining and relaxing with friends and family.

The sitting room boasts wooden flooring, an attractive fireplace with a wood-burning stove, and two pairs of French doors to the patio.

The second reception room has been utilised as a family room by the current owners, but it would also lend itself to being used as a dining room for those who enjoy more formal dining.

A study to the front of the property is perfect for those who work from home.

A utility room and a W.C complete the ground floor accommodation.

The first floor has four double bedrooms and a family bathroom.

The principal bedroom has not only an en-suite shower room, but a walk-in wardrobe, and enjoys views over the rear garden and open countryside views beyond.

The second largest bedroom also has an en-suite shower.

Outside, the property has access to the garden on both sides of the property; the right-hand side has a five-bar gate leading to driveway parking, EV charging point and the double garage.

The rear garden which stretches nearly 65 meters is a wonderful space with something for the whole family.

The expansive lawn area is complemented by mature trees and shrubs, ideal for both the keen gardener and young children alike.

The patio is perfect for al-fresco dining and enjoying the peace and tranquillity this delightful garden has to offer, whilst taking in the views and watching the local wildlife.
