SUMMARY

BLOCK OF 4 MODERN GARAGES

DESCRIPTION

Investment Opportunity – Block of 4 Garages in Prime Redcliffe Location

A rare investment opportunity to acquire a block of four garages (forming part of a rank of five) in the highly sought-after Redcliffe area of Bristol. Superbly positioned within walking distance of Bristol city centre and Bristol Temple Meads Station, the garages occupy a prime location where secure parking and storage are in strong demand. We understand the garages are currently let individually on short-term agreements, providing an immediate income stream with the flexibility for future rental reviews or alternative use, subject to any necessary consents. Garage investments in central Bristol are seldom offered for sale, making this an excellent opportunity for investors seeking an income-producing asset in a location with consistently strong demand for secure parking and storage.
