## Appleby-In-Westmorland

Positioned in an elevated setting upon this popular development of similar homes, this very well maintained three bedroom end terrace property offers deceptively far-reaching views to both the front and rear, together with spacious and thoughtfully upgraded accommodation throughout. Subject to a Local Occupancy Restriction, believed to be Cumbria wide, the property represents an excellent opportunity for those seeking a beautifully presented home within this desirable area.

The accommodation begins with a useful entrance porch, complete with cloaks area, leading through into a spacious entrance hall. This welcoming central space benefits from an understairs storage cupboard, staircase to the first floor and doors leading to both the kitchen and principal reception room.

The kitchen has been stylishly upgraded by the current owners and fitted with contemporary shaker style units complemented by modern work surfaces. Integrated appliances include a double oven, gas hob, dishwasher, fridge/freezer and washing machine, while excellent built-in cupboards provide additional storage solutions. A door leads through into the lounge/diner, enhancing the practical flow of the home.

Extending along the rear of the property, the lounge/diner is a generous and light-filled room offering clearly defined seating and dining areas. A multifuel stove provides an attractive focal point and adds warmth and character to the space, while patio doors open into the delightful sun room. This additional reception area enjoys a pleasant outlook over the rear garden and provides direct access outside.

Two of the bedrooms are excellent double rooms, both benefitting from integrated cupboards or wardrobes and delightful countryside views to the rear. The third bedroom is a generously proportioned L-shaped room, capable of accommodating a small double bed, and enjoys lovely front aspect views together with an integrated storage cupboard with concertina door.

Completing the accommodation is the stylish family shower room, fitted with a contemporary three piece suite comprising WC and wash hand basin set within vanity storage units, together with a fully panelled shower enclosure and heated towel rail.

Externally, the property continues to impress with attractive and well-tended gardens to both the front and rear. The front garden is beautifully arranged with a combination of gravelled areas, flagged pathways and established flower beds, while steps lead both to the property and side access gate. The rear garden has been designed with ease of maintenance in mind, featuring an artificial lawn complemented by raised flower beds and a particularly useful outhouse providing excellent additional storage.
