IF YOU LIVED HERE...

This thoughtfully updated home offers 1,186 sq ft of bright, well-planned space on a peaceful residential street just off Forest Road, putting shops, cafés, and essentials within easy reach.

The front reception room is full of natural light, thanks to a wide bay window and soft, pale tones that work beautifully with the original wooden floorboards. A cast iron fireplace with a black mantelpiece adds character, while built-in alcove shelving provides room for books, photos, or favourite finds.

Follow the wooden flooring through to the heart of the home: an extended kitchen-diner with a welcoming, open-plan layout. Crisp white cabinets, integrated appliances, and a central island offer practical prep space and an easygoing spot to chat over coffee. A skylight and bi-fold doors to the garden bring in even more daylight, making it a relaxed, social space that's easy to live in.

Outside, the south-west facing garden is both low maintenance and leafy. A tiled patio is ideal for alfresco dining, and established planting—like the thriving blush-pink rosebush and climbers, adds year-round colour and privacy to the natural wood perimeter fencing.

Back inside, a separate study on the ground floor offers a quiet, comfortable space to work from home, with a view out to the garden and soft grey carpet underfoot.

Upstairs, two bedrooms on the first floor echo the calm decor. The larger room at the front is generous and bright, with twin windows and an original fireplace. The second bedroom looks out to the greenery below. The family bathroom combines vintage charm and practicality, featuring a clawfoot bath, powder blue metro tiles, and geometric patterned flooring.

The top floor is home to a lovely light-filled main bedroom with views front and back, under-eaves storage, and its own en suite, finished in soft greys and whites with a walk-in shower.

WHAT ELSE?

- The local buzz of the renowned 'Beer Mile' offers plenty of dog-friendly microbreweries and pop-up food venues to choose from - Big Penny Social, an enormous pub and community space hosting live events, is just a short walk away.
- Nature lovers will appreciate the vast open spaces of Walthamstow Wetlands – Europe's largest urban nature reserve, covering 500 acres.

A WORD FROM THE EXPERT...

"For me it's the sheer variety you find in each pocket of Walthamstow that makes working and socialising here so enjoyable. Whether it's having a coffee from Perky Blenders, going for a Sunday morning walk in Epping Forest, dropping into one of the local breweries in Blackhorse Road, or catching up with friends in Lloyd Park, the growth and positive changes within E17 have been incredible in recent years."
