Set on the first floor of an attractive period building on Chapter Road, this bright two bedroom apartment offers 621 sq ft of well proportioned accommodation, together with a share of freehold and its own private section of garden.

The reception room is particularly appealing, with a wide bay and windows on three sides allowing an abundance of natural light into the room. High ceilings, painted wooden floors and period detailing add character, while the separate kitchen sits to the rear of the property.

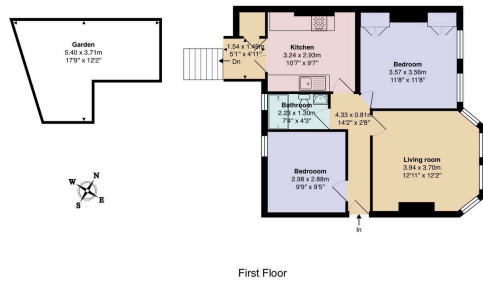

There are two bedrooms, including a generous principal bedroom with fitted wardrobes and an original fireplace, alongside a modern shower room.

One of the real benefits of the flat is its direct connection to the garden. Stairs lead from the kitchen straight down to a private section of garden, providing valuable outside space and an unusually convenient arrangement for a first floor apartment.

Chapter Road is a popular residential road in Willesden Green, approximately a 10 minute walk from Willesden Green Station and the Jubilee line, with the cafés, shops and amenities of Walm Lane also within easy reach.

With good proportions, plenty of natural light, period character and its own garden, this is an appealing home in a particularly convenient NW2 location.
