18 BRUNEL QUAYS

Situated in a highly sought-after development of historic engine sheds, this beautifully presented four-bedroom home at Brunel Quays enjoys stunning views across the River Fowey and offers spacious, versatile accommodation arranged over three floors.

The property features four well-proportioned bedrooms, including a generous principal bedroom, alongside two modern bathrooms and a convenient downstairs WC. The layout is ideal for family living or those seeking additional space for guests or home working.

The heart of the home is the light and airy living space, perfectly positioned to make the most of the picturesque river views. Large windows allow natural light to flood in, creating a bright and welcoming atmosphere throughout. The kitchen and dining areas provide a sociable setting for everyday living and entertaining.

Externally, the property benefits from an undercover parking space, along with two additional allocated parking spaces outside — a valuable feature within this desirable waterside location.
