Property Description

This beautiful semi-detached, early 20th-century three-bedroom home has undergone extensive enlargement and refurbishment, creating a stylish and thoughtfully designed family home while retaining many of its original characteristics.

The ground floor offers a spacious entrance hall leading to a welcoming front reception room, complete with a bay window and feature log burner set within the chimney breast. Engineered LVT flooring complements the period character, while to the rear is a stunning kitchen/dining room with excellent proportions and lovely views over the south-facing garden.

Upstairs, there are three bedrooms, comprising two well-proportioned double bedrooms and a smaller third bedroom, alongside a modern shower room and separate W/C.

To the front, the property benefits from a private driveway providing off-street parking, together with pedestrian side access leading to the rear. The generous south-facing garden offers an excellent space for entertaining and relaxing, with a sociable patio area and a garden studio room providing a versatile additional space.

This is a truly stunning property which combines period charm with contemporary living, and we highly recommend an early viewing to fully appreciate the quality, space and versatility it has to offer.
