The Home...

Step inside to a welcoming entrance hall, leading through to a comfortable reception room, measuring approximately 14'4" x 9'11". A lovely space for relaxing and entertaining, the room benefits from a window to the front, and open fireplace, while offering plenty of room for sofas and additional furniture.

To the rear, the kitchen/dining room measures approximately 14'5" x 12'4", providing a generous and sociable space for everyday living. Fitted with a range of shaker units and wood effect work surfaces, the kitchen offers room for appliances, while the dining area provides space for a table and chairs. There is also a useful connection to the rear garden, making this a practical arrangement for everyday living and entertaining.

Upstairs, the landing leads to two bedrooms, both with fitted storage and the bathroom. The principal bedroom measures approximately 12'6" x 7'8", while the second bedroom measures approximately 14'4" x 9'11", offering flexibility as a further bedroom, guest room or home office.

The bathroom is fitted with a white suite, including a bath with shower over, wash basin and WC, completing the first-floor accommodation.

The Outside...

One of the property's particularly appealing features is the generous rear garden, offering considerably more outdoor space than might typically be expected from a home of this type. A spacious lawn provides plenty of room for children to play, entertaining friends or simply enjoying the warmer months, with established boundaries and mature greenery creating a pleasant setting.

An area of hardstanding adjoins the house provides a natural spot for outdoor dining, morning coffee or summer barbecues, while the garden's generous proportions offer scope for keen gardeners to make it their own.

To the front, the property benefits from allocated parking, providing convenient off-road parking.

Extension Potential...

The generous rear garden offers exciting potential for those looking to further enhance and enlarge the property, with scope to explore an extension to the rear, subject to obtaining the necessary planning permissions and consents (STPP). This provides an opportunity for prospective purchasers to consider how the house could be adapted to suit their own requirements.

Please note: Any proposed extension would be subject to the relevant permissions and consents. There is also a right of access to the garden from the neighbouring property. Prospective purchasers are advised to speak with the PSPhomes team for further information regarding the access arrangements.
