ABOUT THIS HOME

An exceptional newly built detached family home, set back from the road on Sandling Lane in Penenden Heath, combining classic, timeless external architecture with a stylish and contemporary interior — truly offering the best of both worlds, with the added benefit of no service charges.

The accommodation is thoughtfully arranged and begins with a welcoming entrance hall with storage cupboard, leading to a bay-fronted living room filled with natural light. To the rear, a highly sociable open-plan kitchen and dining room forms the heart of the home, finished with oak engineered flooring and perfectly suited for both everyday family life and entertaining. A modern ground floor cloakroom completes the ground floor layout.

The stylish Howdens kitchen features quartz worktops and an excellent range of integrated Bosch and Lamona appliances, combining sleek design with everyday practicality. High levels of insulation and traditional masonry construction ensure comfort, efficiency, and long-term durability.

Upstairs, the bay-fronted main bedroom benefits from a contemporary en-suite shower room, while two further well-proportioned bedrooms are served by a modern family bathroom, finished to a high standard.

Externally, the home continues to impress. The garden will be attractively landscaped with Indian sandstone paving and turf, creating a low-maintenance yet inviting outdoor space ideal for relaxation or family use.

Designed with future-proof living in mind, the property also benefits from solar PV panels, an EV charging point, and the reassurance of an NHBC 10-year warranty.

This is a superb opportunity to secure a high-quality, energy efficient (Predicted SAP shows A-Rating) new home in a convenient and highly regarded residential location.
