A TRUE SHOWSTOPPER

A beautifully transformed four-bedroom detached home, where generous accommodation, thoughtful improvements and exceptional attention to detail come together effortlessly.

From the outside, this beautifully maintained home is smart and understated, but step inside and the transformation is immediately impressive. Having been extensively refurbished by the current owners, including a modernised kitchen, updated bathrooms, complete redecoration, new flooring, a newly created sun room and a fully redesigned garden, every part of this home has been thoughtfully finished to create a stylish and luxurious living environment.

THE FINER DETAILS

This impressive four-bedroom home offers beautifully balanced accommodation with a spacious living room, contemporary kitchen and dining area, separate sun room, downstairs WC, four bedrooms, family bathroom and en-suite, with useful storage cupboards incorporated throughout.

The welcoming entrance hall provides access to the main ground floor accommodation, with the spacious living room positioned at the front of the property. The living room flows naturally through into the separate dining room and then onwards into the beautiful sun room, creating a lovely sequence of connected spaces overlooking the garden. The dining room also benefits from a convenient serving hatch through to the modernised kitchen, keeping the two spaces connected while retaining their separate functions. The kitchen then leads back through to the entrance hall, with a downstairs WC conveniently positioned near the front door and useful storage also incorporated into the layout.

Upstairs are four bedrooms, offering excellent flexibility for family living, guests or working from home. The main bedroom benefits from its own en-suite, while the remaining bedrooms are served by a stylish family bathroom. Useful storage is also provided on the landing and within the bedroom accommodation, helping keep the home practical as well as beautifully presented.

The front of the property is smart and beautifully finished, with a gravelled frontage and an impressive brick-paved driveway providing parking for at least three vehicles. The enclosed rear garden has been completely transformed, featuring a neat lawn, attractive borders and a raised decking area positioned towards the bottom of the garden, creating a wonderful spot for outdoor seating and entertaining. A separate garage provides secure parking, storage or additional flexibility.
