Stylish sink built into a unit beneath with chrome tap, matching toilet with concealed cistern and push button flush, matching storage cupboard. The walls are finished in a quality tile with mirror with electric built in light, side facing white uPVC double-glazed window with privacy glass. Recessed LED lights to ceiling, extractor fan.

GARAGE

16'4 x 8'8

Access remote control roller shutter door. The rear is well designed with sliding doors which leading into an extended utility area.

UTILITY ACCESSED FROM GARAGE

17'5 x 8'3

An extension to the rear of the garage forming in effect an additional garage length, the current owners have created a fabulous utility area which has internal door leading into the extended lounge, external door with security leading directly out to the garden. The utility comprises a range of fitted base units with laminate work surfaces as a work/utility area and laundry space. The current owners have their washing machine and dryer and freestanding fridge/freezer, and wonderful large stainless steel sink, with hot and cold running water from the hot water system and separate shower head for intense cleaning. Electric sockets and lighting. This is a wonderful additional practical space one rarely gets in this kind of property within this price range.

EXTERNALLY

Long multi-car driveway with immaculately maintained lawn at the front which leads to a garage.

The property benefits from a lovely well planned rear garden plot with enclosed patio area, well maintained area with lawn and borders, secluded position looking out towards a wooded area. The clients report an abundance of wild life including rare birds which visit the garden regularly. This is a beautiful garden to accompany a stunning home.

GENERAL

Our clients outright purchased a solar panel system in 2011 and secured an excellent deal under a government
