"Rural England at its finest"

Enjoy the open countryside views that adjoin this fabulous, detached residence built by Charles Church, nestled in this small, select cul de sac. The impressive interior benefits from gas central heating and UPVC double glazed windows to include a stunning free flowing designer kitchen/breakfast/family room with a range of integrated appliances and solid oak worktops. The dining room is versatile and the living room is a great size, the perfect vantage point from which to admire the garden and view. Upstairs the bathroom is well appointed and the four bedrooms are great sizes, three of which are double sized, the master with en suite. Outside a private driveway leads to a single garage and the rear garden has a mature feel with decking. Broughton offers a pub, primary school and shop, along with easy access to both Kettering and Northampton. An outstanding home.
