

Connells

High Street
South Witham Grantham

Property Description

The property itself is packed with original charm and historic character, including vaulted cellars beneath the building, former bar and restaurant areas, multiple reception spaces, original accommodation rooms and outbuildings full of possibilities. The ground floor was previously arranged around an impressive central 360-degree bar with various seating and dining areas, former commercial kitchen, office space and customer facilities.

Upstairs, you will find six separate accommodation rooms, with part of the first floor accessible internally from the pub itself and additional rooms benefiting from their own independent rear access. Outside, approximately 0.42 acres, the property benefits from a large tarmac car park, extensive beer garden areas, exterior cold store, enclosed yard and a separate barn/stable building that feels like it could become just about anything with the right imagination behind it. This needs imagination, there's no hiding that, but underneath it all is an it all is an incredibly exciting project in a fantastic village location with brilliant road links nearby. For developers, investors, business owners or anyone searching for a property with proper character and huge future potential, this could be something very special indeed. South Witham has a primary school, Public Houses, takeaway, village hall, sports field and park. Easy access to the A1, is close to many market towns including Stamford, Oakham and Grantham.
