GUIDE PRICE £350,000 - £400,000.

Set within a secure gated development, this exceptional two bedroom fourth floor apartment delivers contemporary living with a little extra personality—generous proportions, sleek finishes and a view that does more than just sit there looking pretty.

Built in 2019 and boasting a remarkably long lease of approximately 990 years, the property is accessed via well maintained communal areas with code and fob entry, plus lift access—because stairs are overrated after a long day.

At the heart of the home is a beautifully presented open plan lounge/kitchen/diner, designed for both quiet nights in and hosting that dinner you said would be “low-key” but somehow isn’t. The kitchen comes fully equipped with integrated appliances, while the living space spills out onto a private balcony with calming views over the River Roding—morning coffee just got an upgrade.

Both bedrooms are comfortable doubles, with the principal bedroom enjoying its own Juliette balcony (for those dramatic fresh-air moments) and a smart en-suite shower room complete with a digital rainfall shower. There’s also a stylish family bathroom, equally well appointed, so no queues required.

An allocated parking space is included, and with Barking Station just 0.6 miles away, getting into the City is refreshingly straightforward.

A polished, well-connected home with a touch of riverside charm—effortlessly ready for whatever your version of “living well” looks like.
