All Shared Ownership home sales are subject to eligibility criteria and a financial assessment by a recommended Mortgage Broker

The percentage share quoted is a guideline and may vary according to individual incomes and circumstances. Charges include, where applicable, a service charge, estate management charge, buildings insurance and a management fee. All figures are estimated and subject to change.

Your home is at risk if you fail to keep up repayments on a mortgage, rent or other loan secured on it. Please make sure you can afford the repayments before you take out a mortgage. Please note these figures are an indication only and will vary according to personal circumstances.
