Bedrooms 3
Bathrooms 1

Behind its welcoming frontage and tucked away position along Ansty Road, this charming three bedroom semi detached home offers a wonderful opportunity to create a place that feels truly your own. Combining generous living space, a practical layout, and a lovely sense of natural light, this is the kind of home where everyday moments become memories, from busy mornings getting everyone out of the door to relaxed evenings spent unwinding together.

The lounge and dining room is a wonderfully versatile space designed for both relaxing evenings and memorable moments with loved ones. Neutral décor allows the room to feel calm and timeless, while the soft carpeting adds a cosy touch underfoot. The front bay window floods the room with daylight, creating a cheerful place to enjoy your morning coffee, while the second bay window in the dining area, together with patio doors opening onto the garden, brings the outside in and creates a lovely connection with the seasons. Imagine summer evenings with the doors thrown open, children playing outside, friends gathered around the table, and the garden becoming an extension of your living space.

The kitchen is practical, clean, and thoughtfully arranged, with a galley style design offering plenty of storage through a range of white fitted cabinets positioned on both sides. Whether preparing a quick breakfast before the school run or enjoying a quiet Sunday morning coffee, this is a space ready to support the rhythm of everyday life.

Upstairs, the sense of light and comfort continues. The carpeted stairs lead to a welcoming landing, with three bedrooms offering flexibility for growing families, home working, guests, or simply having a little extra room to breathe. The main bedroom is a bright and comfortable retreat, featuring fitted wardrobes either side of the chimney breast and a lovely bay window overlooking the front of the property. The second bedroom provides a generous double room, while the third bedroom offers a cosy single space that could easily become a nursery, dressing room, or home office depending on your lifestyle.

The shower room is clean and fresh, featuring tiled walls, a modern white suite, vanity storage beneath the sink, and a separate shower cubicle, providing a practical space to start the day or unwind in the evening.

Outside, the rear garden is where this home truly comes alive. Private and surprisingly spacious, it offers something for everyone. A patio area provides the perfect spot for morning coffees and summer barbecues, while the lawn gives children room to play, pets space to explore, and gardeners the opportunity to create their own little outdoor sanctuary. Mature trees in the distance add a peaceful backdrop, making this a place where you can slow down and enjoy those quieter moments.

Perfectly positioned for convenience, the property is close to a variety of local schools, supermarkets, University Hospital Coventry, and excellent transport links including easy access to the M6 at Junction 2. Whether commuting, raising a family, or enjoying everything Coventry has to offer, the location makes daily life wonderfully straightforward.
