*Download speeds vary by broadband providers so please check with them before purchasing.

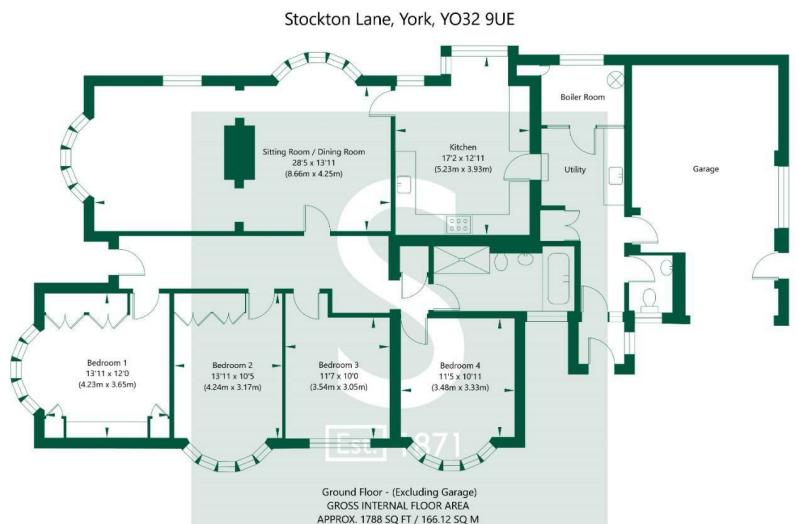

This detached bungalow was built in the 1960's and has been thoughtfully extended to create a substantial residence, set within the sought-after village of Stockton-on-the-Forest.

On entry, to the left hand side of home is generous reception living, consisting of a large, open living/dining room having a dual aspect log burning stove and bay windows to the front and side elevations. The formal dining space adjoins the kitchen, which flows practically into a utility area. The utility room accesses a single garage, boiler room, and separate W.C. The right hand of the home boasts four generously proportioned bedrooms and a sizable four-piece bathroom, featuring walk-in shower, separate bath, wash hand basin and W.C.

Externally, the property sits within a generous plot, with fenced borders and gardens to the front, side and rear elevations. There is substantial room to extend further (subject to planning permission(s)). Furthermore, the driveway provides ample parking for several vehicles.

Stockton-on-the-Forest is a charming and well-connected village located just 4 miles north-east of York, offering the perfect balance between rural tranquility and city convenience. With its linear layout, scenic countryside surroundings, and strong sense of community, the village is ideal for families, professionals, and retirees alike.

Residents enjoy a range of local amenities, including a popular village pub (The Fox), a well-regarded primary school, village hall, playground, and active community groups. Excellent transport links via the A64 and regular bus services provide easy access to York, the coast, and beyond.
