Plumstead and Woolwich are part of South East London's big reinvention, with Woolwich town centre unrecognisable compared to 20 years ago. Already home to an excellent mainline rail service and the DLR, Woolwich's Crossrail station is well underway. Together with the redevelopment of the Royal Arsenal, Woolwich is emerging as a new urban centre. Plumstead offers an altogether greener setting, with the vast commons and Oxleas Wood providing a perfect backdrop to some stunning period properties.
